Coronation Of Queen Carolyn White

his Moment in Time" was the perfect theme for Homecoming '79. Ruling over a week of festivities was Queen Carolyn White and her court: Senior Princesses April Knapp and Becky Patterson along with Junior Princesses Danelle Nelson and Karen Frederick.

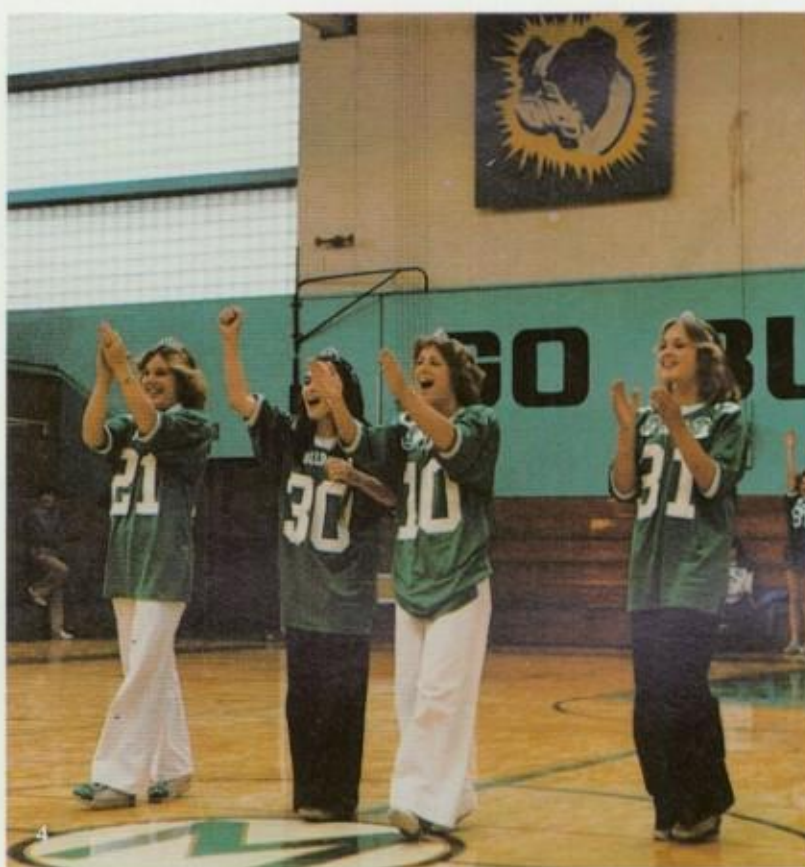

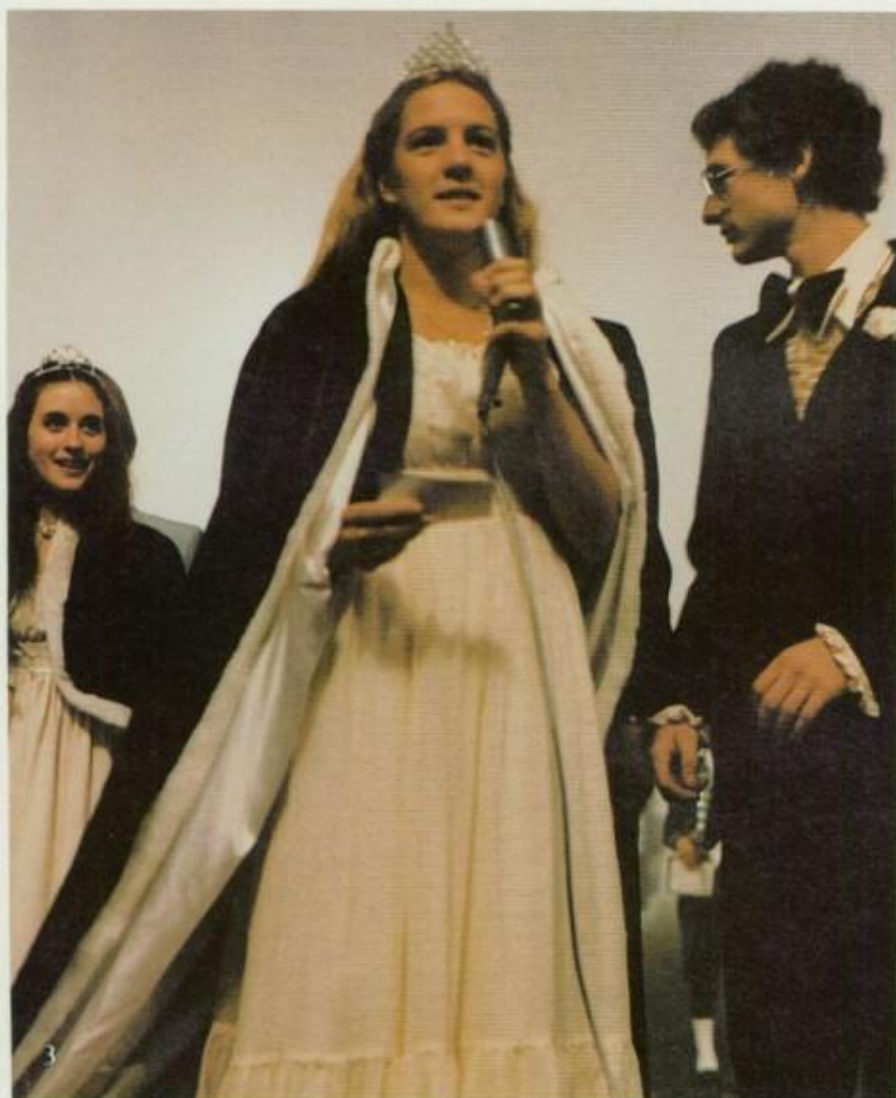

Endless amount of hours were spent by Chairman Dick Spink and his Co—Chairman Vonni Wolden and Robin Gilbertson to make Homecoming the best and most exciting MVHS has ever experienced.

Even Dick Spink, Homecoming general chairman doesn't recognize the clown, who helped during the Homecoming game. 3. Queen Carolyn issues a special invitation to the Alumni Tea held after the homecoming game.

Seniors Cap Top Homecoming Honors

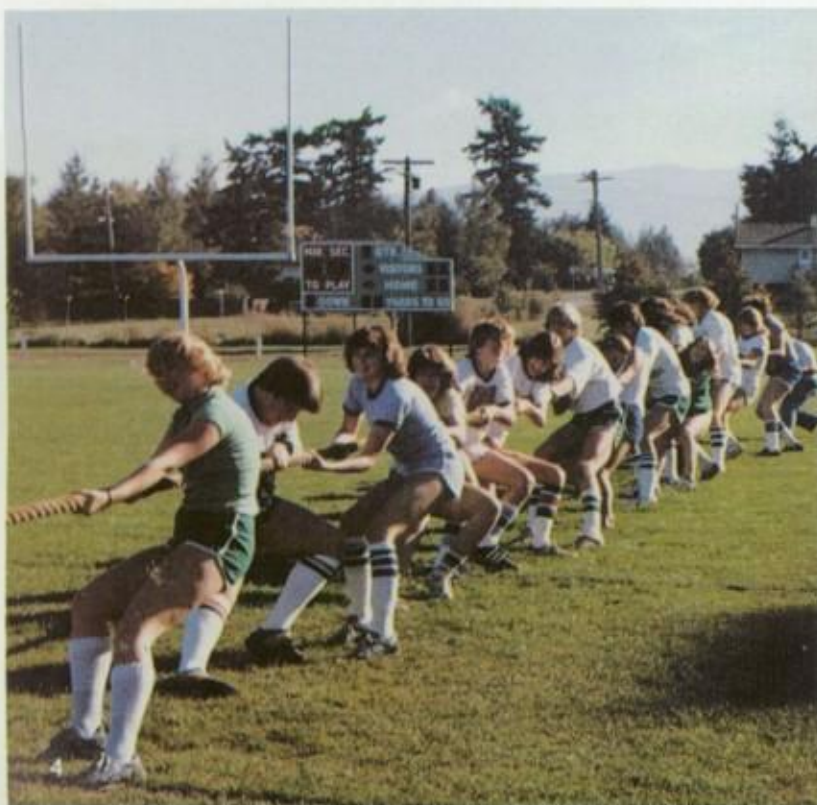

The Homecoming festivities, starting on Friday brought students to school in Western garb. The highlight of that day the Greased Pig Contest, was easily swept by the Seniors. The campus was brightly colored Monday with the gaudy costumes of Clash Day. A sticky new event, the Big Apple relay, was won by the Sophomores. Some fretty punny outfits came strolling through the doors for Switch Day and Sophomores won the

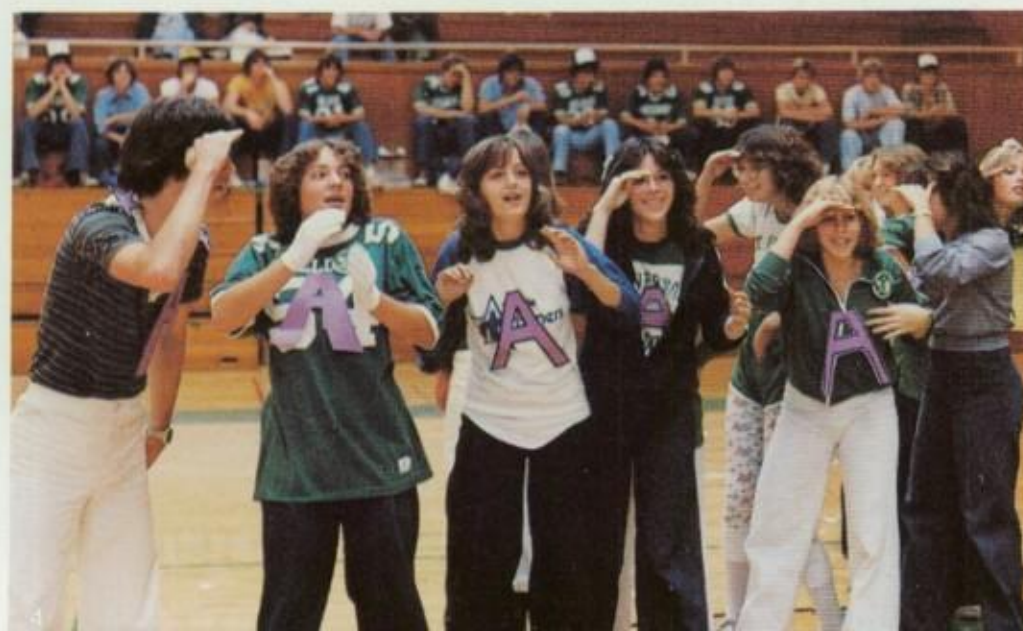

Tug-o-War. Wednesday was a day for mourning and black was predominate all over the school. The second annual bed race was exhausting for the teams but fun for the crowd. Queen Carolyn and her court led the serpentine through the malls and to the bonfire, a main event of the week. Thursday climaxed the week with Green and White Day, Button Day, and the annual big assembly with all the class yells and skits. The victory and the dance made a fitting ending to the week.

1. Male supremacy was questioned by Seniors Susan Schink, left, and Diane Soucy. 2. Black may sometimes signify sorrow but Juniors Lisa Sizelove and Judy Storbakken had fun as "vamps" on Black Day. 3. "Classiest Clasher", Nancy Egbers, is introduced at Clash Day assembly. 4. Although heaving mightily, the Frosh could not overpower the Sophomores during Homecoming week. 5. One of

the top groups in the big Thursday assembly was Sophomore cheerleaders From left Rob North, Jerry McCaddam, Brad Pritchard, Eric Fischer, Ron Huffstodt, and Edward Summers.

1. Have you ever tried to catch a greased pig? It took team effort but the Seniors did it in the opening day special event. 2. "Masked Marvels", Seniors Greg Skudlarek and John Bogensberger added spirit to Black Day. 3. Seems the Juniors took it too easy. The class of 1982 beat them in the bed race. 4. Searching the horizon for the elusive Bulldogs are Junior skit cast members.

Seniors Maria Torres, Tim Hanstad Rule

Looks Like We've Made It, was appropriately chosen as the theme for the Senior Ball. That night will be long remembered by many as a special event. An overcrowded dance floor and waiting in a long line for pictures all proved worthwhile on filling the evening with treasured memories. Maria Torres and Tim Hanstad were chosen by the Senior Class to reign over the dance as King and Queen.

For the third year in a row the MVHS Thespian Club sponsored an outstanding Variety Show.

This select group of talented individuals proved that practice pays off as they were hand picked by director Mr. Joe Daman. Mr. John Babraitis assisted by leading the stage band.

It all came to a conclusion on the night of November 16, with Kobi Grace taking first place singing a composition of her own, Elaine Dixon placed second doing a dance, and Chuong Luong placed third playing his guitar.

Maria Torres and Tim Hanstad were chosen as Senior Ball Royalty for the "Looks Like We Made It" 1979 Senior Ball.

ASB Sponsors Big Denise Nelson Run

To make a story complete, a main character is needed to carry it from beginning to end. Karen DeHon successfully filled the role of ASB president by presiding over the Judicial Board, Senate, appointing a Homcoming Committee and organizing various activities. Among these was the successful Denise Nelson benefit run. By devoting an endless ammount of energy, she, along with seven other students, fulfilled the responsibilities of ASB officers. Under the watchful eye of Jim Jacobson, director of student activities, the faithful crew accomplished much to make the '79-'80 school year a great one.

Serving as vice-president, Bill Whitlock was a great asset in keeping the Senate running smoothly. Assuming the of ever-ending job secretary was Sandra Bardsley. Bev Thomas, attorney general, kept law and order in the student body. Treasurer Lizzy Kamb accounted for all ASB funds while Assistant Treasurer Sally Sward helped out. Secretary of Student Finance Lynn Haglund, assisted by Dave Hamburg, kept the books straight. Under Al Evans' supervision the job was done right.

Mount Vernon High is one of the very few schools in Washington that has a Senate, where students are allowed to draft, debate, and approve bills. Vice-President Bill Whitlock and Advisor Dave Cornelius opened their ninth year of Senate with a running start. Some of the bills Senate debated were whether or not to have boy yell leaders, and if Hi-Q and Debate team members would be able to letter. The Senate class worked hard all year to better the school.

Approved Judicial Board members for '79-'80 year were Becky Patterson, Diane Hughes, Joe Bowen, Elaine Dixon, and Janice Holden. A total of seven members serve each year so that unbiased opinions can be reached.

This Board is appointed by the ASB President DeHon and must be approved through Senate. Once approved, the members serve on the Board for the rest of their years at MVHS.

New Ideas Introduced In Winterfest

Chairmen Kristie Overby, Evangeline Halliday, and Dan Skay introduced many new and exciting ideas for the second annual Winterfest celebration at MVHS.

Crazy dress up days, action packed activities, displays of hidden talent, brute strength, and partial insanity filled the week. Martian clad monsters, rootin' tootin' cowboys, abominable snowbunnies, valentine sweethearts, and loyal Bulldog supporters became typical charac-

ters around campus.

Mr. Bulldog America contestants suffered through showing off their legs, chests, and backsides to engrossed audiences. After the talent contest on the final day, Rich West was crowned Mr. Bulldog America, along with his court, Junior Prince James Case, Sophomore Prince Ron Huffstodt, and Freshman Prince Matthew Halliday. The week was topped off with a dance and midnight breakfast for the Royalty.

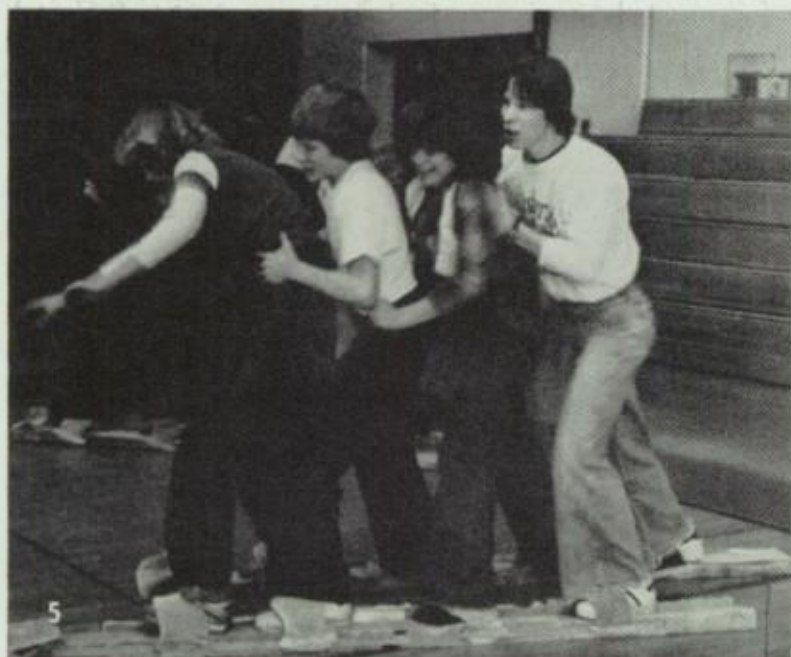

1. The Junior girls had a "rootin' tootin' time" on Texas Tuesday. 2. Bernie Halliday's ice-cream eating talent helped the Seniors win the competition. 3. Some pretty spacy characters showed up for Space Age Monday. 4. "America's Sweetheart" Diane Soucy won the Valentine dress-up day. 5. Mr. Bulldog America, Rich West, juggles his way to victory in the annual competition. 6. Greg Necas flips his opponent in the Indian Wrestling competition.

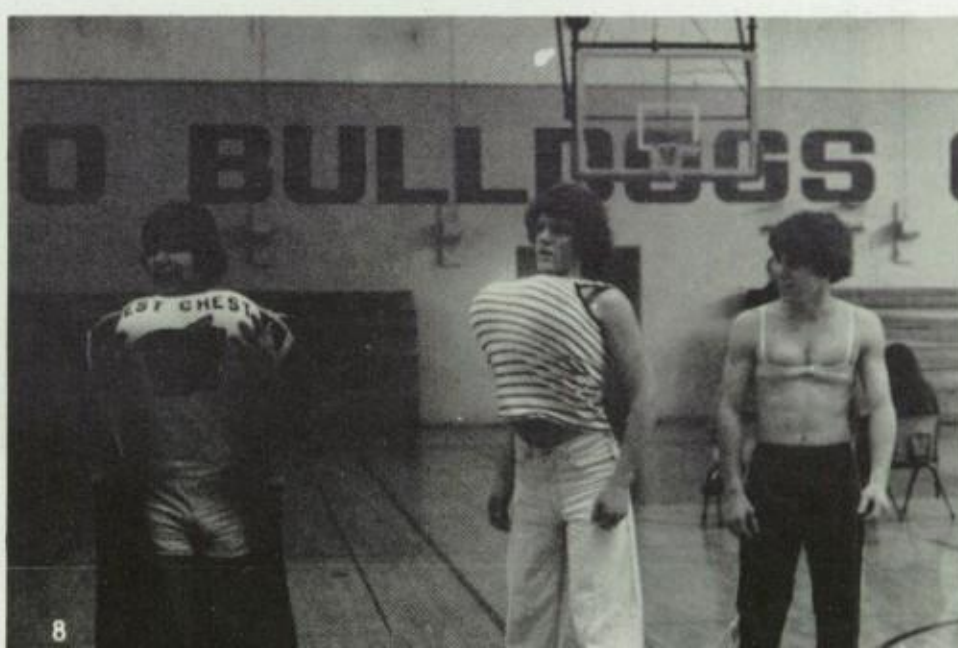

Winterfest chairmen Christy Overby and Evangeiline Halliday did a great job, along with Dan Skay, not pictured.

The mighty Juniors displayed their brute strength in the tug-o-war.

3. They say you can judge a person by the company he keeps . . . !!!? 4. These can't be the Mouse keteers! 5. **Left, right, left, right,** was the key to success in the ski board competition, 6. "My what delightful weather we're having," says Diane Hughes to Bev Thomas on Winter Wednesday. 7. Mr. Bulldog America contestants, Dick Spink, Rich West and Jim Moores participated in some pretty strange events throughout the week. 8. Junior contestants Joe Cisneros, James Case and Roger Hurd show their best in the chest competition.

Try to imagine what it would be like to be a stranger in a little community of 1100 people. That's what ten foreign students here at MVHS have experienced. The many faces, good times, studies, and new freinds will long be remembered.

Returning home after a fun-filled year abroad were our students Paul Hoagland, from Germany, Stuart Ravnik from Finland and Victoria Whitlock from Denmark.

Two foreign exchange students stayed here with local families. One was Nileena Jhaveri from Bombay, India, and the other was Stephan Janus from Belgium. Eight other foreign students attending MVHS were Zerayacob "Jake" Kidanemariam from Ethiopia, Ha Chuong, Chuong Luong, and Hiep Trieu from Vietnam, and Miriam, Felipe, Noel, and Jerry Llarenas from the Philippines.

1. Nileena Jhaveri stops long enough for her picture. Nileena was an exchange student from Bombay, India. 2. Visiting here from Belgium was Stephan Janus. 3. Three interesting foreign students from Vietnam are from L. to R. Hiep Trieu, Ha Luong, and Chuong Luong.

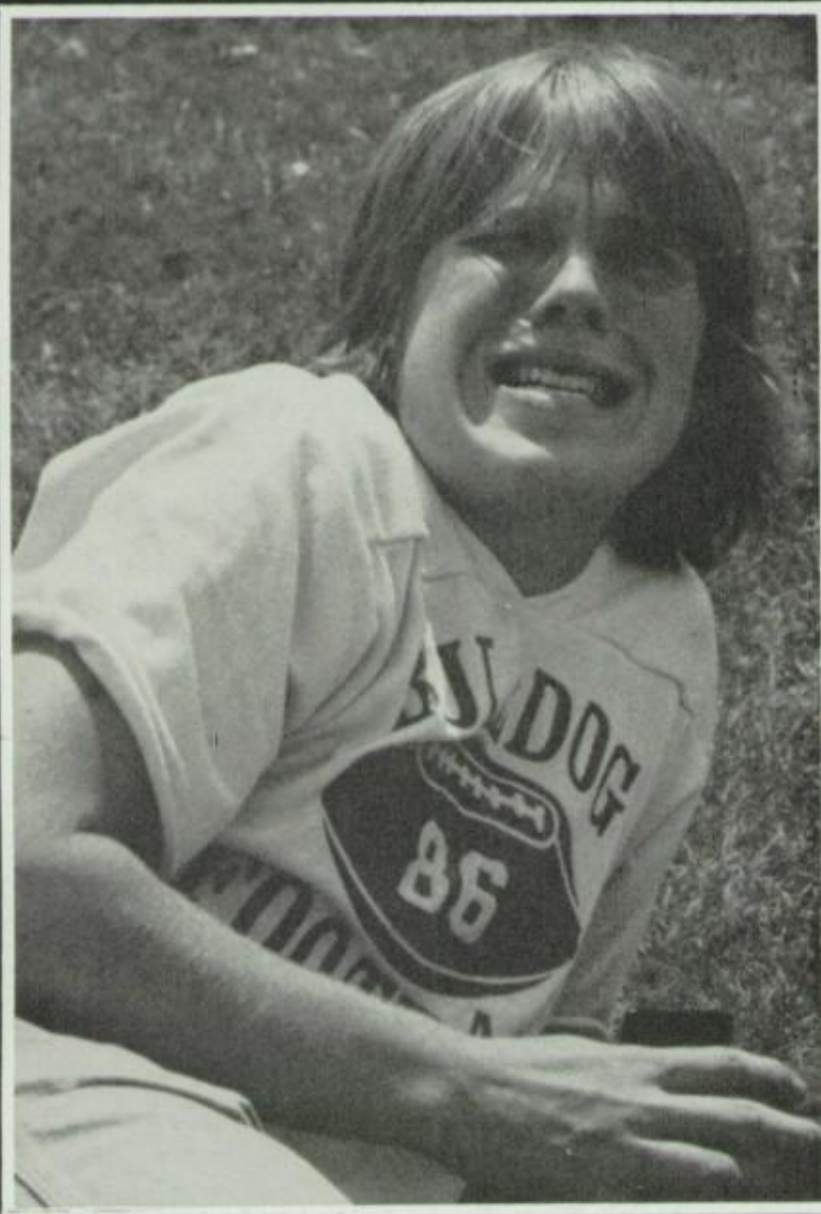

1. Stuart Ravnik looks like he's enjoying his stay in Finland. 2. Zerayacob Kidanemariam, better known as Jake, came straight from Ethiopia to MVHS. 3. Victoria Whitlock and her Danish family. 4. The Llaranes family has recently moved here from the Philippines. from L. to R. Felipe, Miriam, and Noel. Not pictured: Jerry Llaranes.

The class of 1980 has shown great determination from their Freshman year when they tied for second place in the Homecoming floats. It was quite a step from the pep assembly when the cheerleaders made them stand up to see, "if the Frosh really do have legs."

Their Junior year, probably the least eventful, brought them through with a respectable second place overall in Homecoming activities.

Their Senior year was without a doubt the best, Homecoming came and went showing almost nothing but victories for them. Topped with the flurry of orders for pictures and announcements, special activities, applications for colleges, scholarships and awards, final preparation for the sneak, the cruise, and of course, graduation the class was in constant motion in anticipation for their final days at MVHS and the movin on to other places.

Football can do strange things to Seniors when they realize their high school days are over. Just ask Rich West, top and Jim Moores.

Sitting high above MVHS are Senior class officers, President Joe Bowen, Treasurer Brian Evans, Vice President Becky Patterson and Secretary Kevin Crawford.

Juniors Celebrate — Upperclassmen At Last

The class of '81 has taken yet another step up the MVHS ladder — UPPER-CLASSMEN! Among their various accomplishments as Juniors were varsity and Junior varsity standing in many sports, as well as, participation in clubs and school activities.

Leading them through their Junior year were: President Lynn Almvig, Vice-president Sue Berg, Secretary Debra Gates and Treasurer Diane Larson, who did a lot to make their year an exciting one.

Homecoming brought many surprises to the Junior class. They took a big first in the window display and also in yell competition. Representing the class as royalty were Princesses Danelle Nelson and Karen Frederick. In the spring the Juniors were busy planning the Prom and Mother's Tea. These activities marked the end of a productive year for the class of '81, one they will always remember.

Taking one more step are Junior officers from top: President Lynne Almvig, Vice President Sue Berg, Secretary Debra Gates, and Treasurer Diane Larson.

SOPHOMORES

Sophs Move Step Closer To Big Time

With their Freshman year just a memory in the past, the Sophomores moved towards the title "Upperclassmen." New experiences were gained by everyone: drivers' licenses, letter jackets, participation in both Varsity and Junior Varsity sports and many different clubs.

During Homecoming, the class of 1982 showed their determination and pep by placing first in the Big Apple, Tug of War, Bed Race, and the class Skit. They went on to place a respectable second over all.

Their abilities were shown academically also, as the class began to fill their requirements, and take more demanding classes.

Led by President Linda Schink, Vice President Inger Edwards, Secretary Kristi Hall, and Treasurer Kay Quall, the year rewarded the Sophomores with great success and memorable experiences.

Leading the class up the ladder are From Top, Linda Schink, president; Inger Edwards, vice president; Kay Quall, treasurer and Kristi Hall, secretary.

It's Unanimous — Girls Lead Freshmen

The class of 1983 made its debut this year at MVHS. With the mass confusion of the first week over, the Frosh got it together and took on their new opportunities and challenged what the year had to offer. They were involved in many clubs, activities and Junior Varsity sports.

With the superior abilities of President Ruth Blue, Vice President Yvonne Force, Secretary Heather Wood, Treasurer Susan Bannister the class of 1983 showed outstanding leadership.

Homecoming was a new experience for the Freshmen. However, they did quite well, placing second in several events, such as class yell competition, the greased pig contest, and they tied for second in the window displays.

The Freshmen class experienced a whole new beginning, but will take hold of their talents and make something of their years at MVHS.

Getting into the swing of things are from left Treasurer Susan Bannister, Secretary Heather Wood, President Ruth Blue, and Vice President Yvonne Force.

Expanded Cheerleader

Judy Storbakken

The demanding job of our cheerleaders was made a little easier this year with the addition of three more to the squad, making a total of twelve.

During the year they kept the teams supplied with flowers on special occasions and promoted school spirit by cheering at all games, meets and matches.

Even though they earned the recognition as a fantastic squad, they all must agree that the life of a cheerleader isn't an easy one!

Skagina Promise—Better Than Ever

With sixteen pages of color and a new design technique, the Skagina editors tried successfully to put all of the happenings of the 1979-1980 school year into words.

Throughout the year hundreds of hours of time and much thought were put into the organization of the yearbook. Helping to fit the pieces of the story together were senior class editor Bev Thomas, Junior editors Wendy Hall and Janine Tarry, Sophomore editor Linda Schink and all around helper Kay Quall who was kept busy in the odd jobs department. Tackling the challenging job of sports editors were Tim Hanstad and Robin Gilbertson. Illustrating our story were photographers Colleen Kelley, Luc Dorais, Lisa Sizelove, Dick Stratton, Joe Siegel and Brad Pritchard. Taking care of business matters were Business Managers Alice Summers and Diane Soucy along with their competent sales staff.

Washing down the mats, keeping score, and many other chores kept the Matmaids always on the go. This year's president was Karen Haase.

Urging the boys' basketball team on to victory were the Basketbuddies. They provided the team with assorted baked goods, and ended the year with their annual kidnap breakfast. It was another successful year for the Basketbells.

Clubs Work To Make MVHS What It Is

The Bulldog staff, with Mrs. Shirley Parker as advisor, had another productive year. With her guidance students learned how the news media operates and developed their skills as reporters. They succeeded in putting out a newsworthy paper every Friday of the year.

MVHS "Thursday Night Live" broadcast from KBRC has become a popular show with everybody. Every week one of the two classes prepared a show to go on the air. Each included a disc-jockey with four assistants who read news, sport stories and commercials. The club is advised by the "Fearless Leader" Mark Pearson.

The ARC, in it's second year, has once again proven its ability to lead clubs in ridiculousness. The founding fathers began this institution with the purpose to shed light on sibling clubs. They hold these truths to be self evident: that our manads have been pre-determined to be associated with the ARClub.

Talented Vocal Groups Create Magic

Most people enjoy music and life would not seem quite right without it. Mr. John Babritas has a way of bringing out the hidden singing talent of many gifted students at MVHS. Put them all together and you get the Swing, Campus, and Concert Choirs.

It takes many hours of practice, determination, and togetherness to be good. The choirs obviously had these qualities as they progressed throughout the year, and as a result, many people enjoyed the entertaining musical abilities shown by the students.

Reserved for the cream of the crop, so to speak, was the Swing Choir. This select group of students performed numerous concerts, one of their first being for the Homecoming Coronation. They ended the year performing for the Moving Up assembly.

Band Provides That Something Special

A group of people who would have been greatly missed at games and pep assemblies is the MVHS Band. Under the direction of Mr. John Babraitis, they presented us with some terrific half-time shows and musical entertainment. Talent and practice were evident in each and every performance.

Members kept in practice due to the constant competition for places in the various instrumental sections including flute, clarinet, low brass, saxophone, trumpet and percussion.

In outside school activities at Leavenworth, the band placed first in overall competition and received the best discipline award. They also performed in a Christmas concert and a spring concerts/followed by their final performance at graduation.

Efficient Administrators Head District

For any school to function properly, the people in charge must have a deep concern for the welfare of the students as well as the community.

The Mt. Vernon School Board is a prime example. Making up the school Board are five very respected men in the community, John Kamb, president, Dr. Robert Carney, Dr. William Haglund, Ed Watson Jr. and new member Roger Reep.

Mr. Thomas Pollino headed the School District as superintendent, making sure that the school always ran efficiently. He was assisted by Fred Guenther, who managed the office of curriculum director.

Bruce Elliot officiated as director of Business Services.

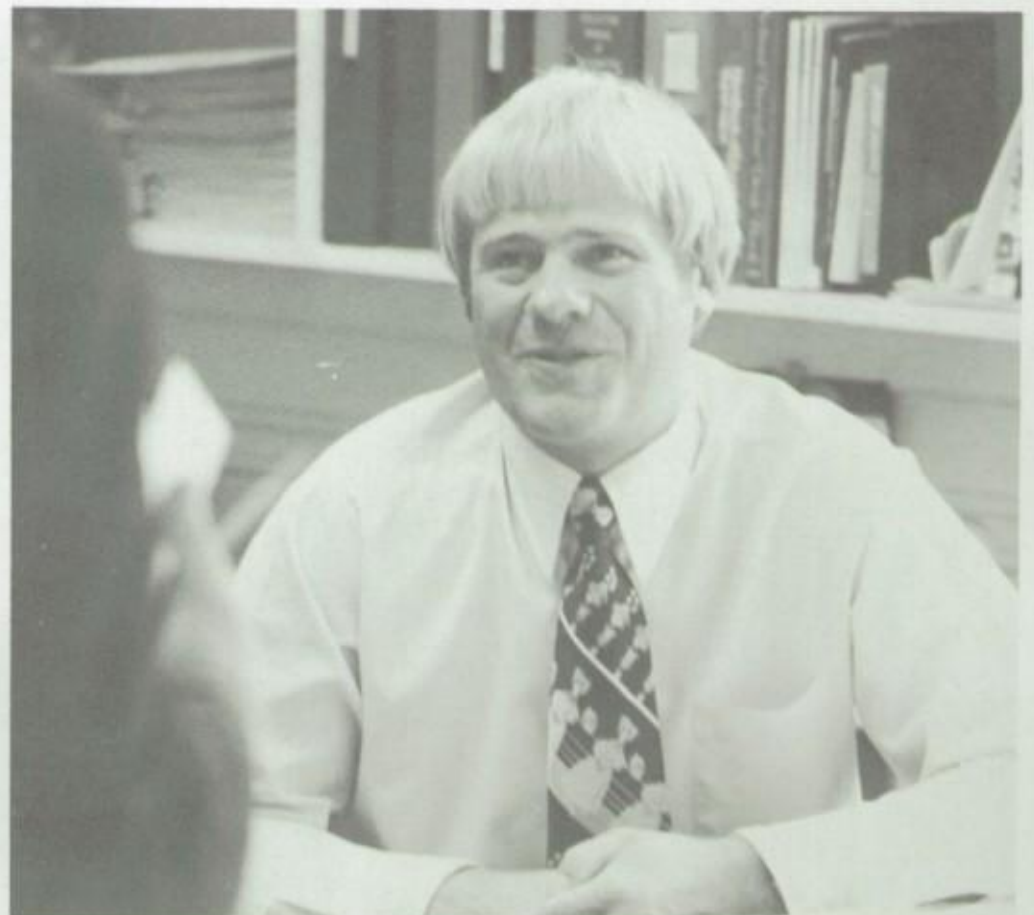

Always there to lend students a helping hand were Mr. Hal Ellis, principal, and Mr. John Boisen, vice-principal. Serving as athletic director and assistant vice-principal was Mr. Dave Duvall, who handled his job smoothly and efficiently. Also, many secretaries are required to keep our high school and administration building running smoothly.

New Programs Involve Grades 9 And 10

As a result of a two day workshop at Camp Brotherhood and much hard planning by the English department there has been a complete revision in the Freshman and Sophomore English programs. The Sophomores are now required to take one full year featuring writing skills and an introduction to world literature. The Juniors and Seniors were able to choose from a selection of classes including Creative Writing, Journalism, Vocabulary for College, Research Paper, and a variety of literature classes, through which students experienced English of all forms.

An increase in world awareness has been shown by the number of students enrolled in the MVHS foreign language classes. A re-organization of the Spanish club and active French and German clubs provided the students with the challenge of learning more about different people, culture and foods of the language that they studied.

Future Carpenters Build House

For the third consecutive year students successfully designed and built a house in the Carpentry class. Keeping equally busy were those in the Woodshop, Drafting, Electronics and Power Mechanics classes offered by the Industrial Arts Department headed by Mr. Bruce Parker.

Hard work, many rehearsals and the dedication of band members paid off again as they had yet another great year. The football halftime shows proved this, as they displayed for students and parents both their talent in music and skill in marching. The busy year was spent under the direction of Mr. John Babraitis and band major John Youngsman. The annual fruitcake sale as well as a bumper sticker sale helped add to the band budget for the year.

Helping students to prove theorems and find the answers to seemingly impossible problems was the job of the Math Department staff, headed by Mr. Paul Reiman. Classes ranging from General Math to Math Analysis gave students a wide range of classes from which to choose. The Pre-Vocational staff prepared their students to meet the challenges that come after high school. Classes and individual help offered, provided them with the background needed for their future careers.

With the assistance of Mr. Gordon Fisher and Mr. Gary Newman, a great deal of talent was demonstrated by students. Among the classes offered in the art department were Art Media, Drawing, Painting, Ceramics, Advanced Art, and Poster Production.

helping increase each student's awareness of the shaping of our country, and world was the main goal for which Social Studies teachers strived. In order for a student to graduate, he must take classes required by the state of Washington, including American Government, American History IIA, American History IIC, Geography, Washington State History, and Western Civilization. Students have the choice of taking the conventionally taught classes or enrolling in the LAP forms which enables them to work at their own pace.

Sportsmanship was the main theme stressed this year by the people in the Physical Education Department. A variety of classes provided each student with a broad perspective on what is entailed in sports today.

Successful business training can be the key to security in the American way of life. Demonstrating their many skills to the students, each teacher took the time and effort to provide the basic knowledge for which each student strived. Many business courses are offered to the students. Some of the highlights in the department are typing, business machines, shorthand and accounting. Cooking and sewing were not the only courses provided to the students in the Home Economics Department. Many classes on interior design, nutrition, and personal and social development were offered to give students the opportunity to help expand their knowledge.

Swift was very active, giving students the experience to increase their knowledge in business management involved in food preparation.

Congratulations to the Class of 1980!

Mrs. Chicoratich Teresa Trucker Becky Patterson Vonni Wolden

Colleen, could you please bring those pictures down immediately, if not sooner?!!!

A very special thanks goes to our photographers, Colleen, Luc, Joe, Dick, and Lisa. You put up with a lot of yelling from us and Diane and Alice during those frantic times, but after all, what can you do without pictures?

Ken Long, we can't thank you enough for all your help. You made our color section something special.

To Alice and Diane, our business managers, we appreciate you going above and beyond the call of duty. (3:00 a.m. is kinda late, don't you think?) We had some pretty good laughs over your catchy captions in the ad section. Thanks also to all the ad salesmen who were a vital part in the financing of the book.

Bev, we appreciated all of your help, even though all you ever heard was, "Hey Beave, don't look at the pictures!"

Janine and Wendy you did a great job. Good luck next year. Just think - no more indexing!! With Kay and Linda around to help, you can't go wrong. Kay's crazy sense of humor can get you through anything.

Robin and Tim, what can we say? You did a fantastic job on the sports layouts. It's not easy to do "mass" pages with a limited supply of pictures.

Without you Laura and Laurie, we wouldn't have a club section. Thanks a lot!

A special note of thanks to Jack Peirce for keeping our little room in such good shape.

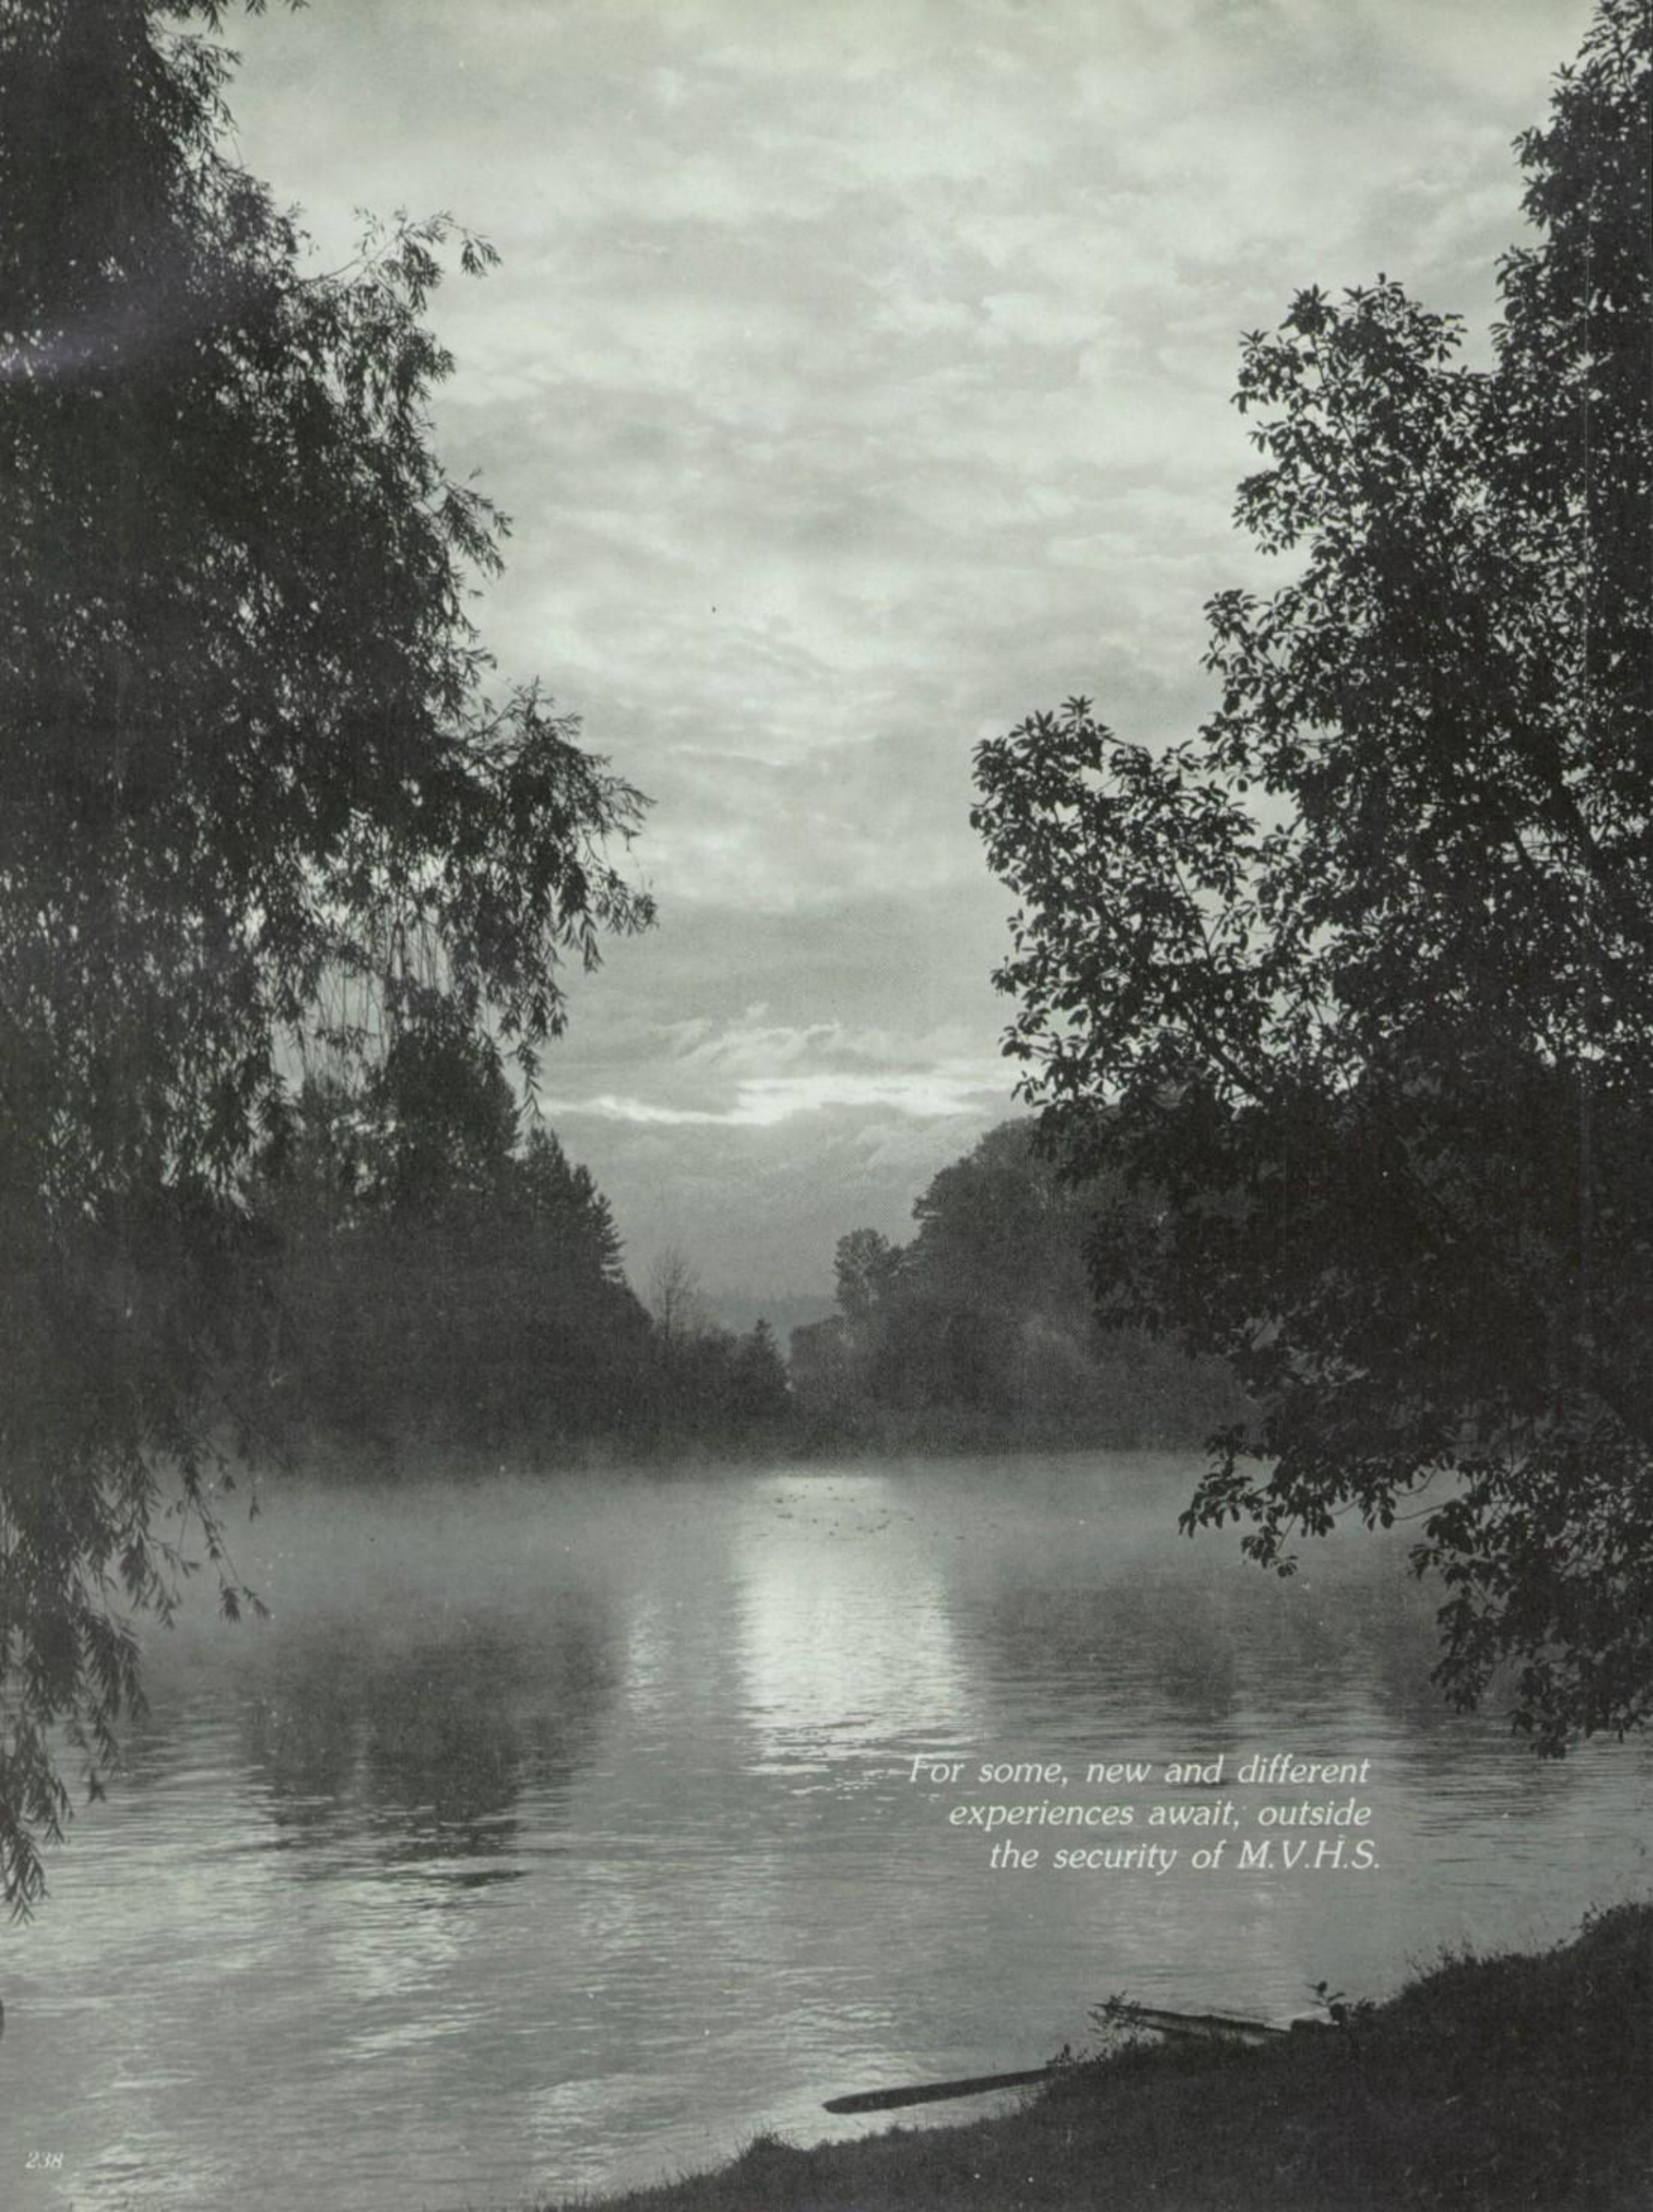

To Steve Schroeder, Laura Wood and Jim Cameron, you came through just when we needed you with those extra pictures. Thanks!

Milt Bean our yearbook representative, we owe you much thanks for watching over our progress throughout the year and making sure that our new ideas turned out the way we intended.

To Mrs. Chic, there is no way to tell you how much your help and patience has meant to us. Without you we couldn't have done it because you always knew exactly what to do when things went wrong. We have all benefited from your experience and will carry the knowledge we've gained long after graduation.

Along with all of the work we've had a lot of fun putting it together. We hope you like it.

Teresa, Becky, and Vonni.

experiences await, outside
